Written by David Myers and Carl Cartee ©2014 Centricity Songs / BMI (admin by Music Services, Inc.)

C D G
I carry the weight on my shoulders
C D G
Of a past I try to hide
C D G
Forcing grace to keep her distance
C D G
So I can justify my pride
Am Em
But Your love, it is relentless
Am G/B C D/C C
It keeps telling me to let - it - go

G Am G/B
Bring Your fire, Lord refine my stained heart
C G D Em
Purify me from all that dims Your Cal - vary
 C D (1st time to intro. 2nd time G. 3rd time to intro)
Lamb of God, Deliver me

I've got demons I still battle
From choices I made long ago
But You don't know me for my failures
Because You've paid the debt I owe
Father, You're a shield around me
You speak a quiet blessing to my soul

REPEAT CHORUS

D C G
You gave yourself so I could see
D C G
Poured out your blood to ransom me
C G/B Am G/B
Redemption's flood has washed me clean
C D/C C
White - as - snow

REPEAT CHORUS
