Written by James Tealy and Corey Voss. ©2014 Centric Songs and Centricity Songs / BMI

A Asus A
When the dark closes in
F#m D A
I will sing of Your everlasting light
A A
When the seas swirl with rage
F#m D A
Take My hand, we will dance upon the tide
F#m D A/C#
Along the way of suffering
Bm Esus A
I'll find rest in the shadow of Your wings

E F#m D A
I have None but You, God, You're my everything
E F#m D A
You're my treasure, Jesus, You're my victory
E F#m D A
You're the only Savior that can Rescue me
Dm/A A F#m D
You're my refuge
Dm/A A F#m D
You're my refuge

When my heart fills with fear
Lord your voice, just a whisper makes me brave
When my eyes cannot see
I will trust, I will follow You in faith
And when my world is trembling
You're the Rock, You're the hope to which I cling

REPEAT CHORUS

A/C# D
Your Name will always be, the loudest song I sing

A/E F#m E/G# A (last time to D)
And whether joy or grief, still I'll cry "Je - sus!"

REPEAT CHORUS X 2
