O Bride of Christ, rise up as one

Washed radiant white by saving blood

O Bride of Christ, resplendent

O bride of Christ, hold fast your hope  
You will not face the night alone  
When fear is strong your Lord is close  
O bride of Christ, unshaken

**One Conquering King who ransomed her**

**O bride of Christ, victorious**

O Bride of Christ, lift up your face  
Around you now the harvest waits  
Let grateful hearts announce His grace  
O Bride of Christ, exultant

O bride of Christ, make loud his praise  
Your bridegroom comes again to reign  
Around his throne, the gathered saints  
O bride of Christ, triumphant
