

REDEMPTION GROUPS SPRING 2018

CONNECT+GROW

We love to help people find a group because God changes lives in community! Anyone is welcome to attend any group at anytime. When you come, you'll find welcoming people who have a blast giving highs-lows from their week, discussing God's Word, and encouraging one another. Feel free to try more than one group!

Whether you are a college student, young professional, married without kids, married with kids, divorced, a part of a blended family, empty-nesters, retired, or widowed, we believe that you were created to belong to a community.

Because of this, we believe group life will be significant to your spiritual growth.
